

2nd Conference on Integrated Risks Management Planning (Thursday, 5th May 2011)

Start	End	Session	Title	Author(s)		
13:30	13:40		Introduction and Welcome	D. Bouchlaghem C.W. Johnson	Loughborough University University of Glasgow	
13:40	14:00	Keynote	<i>Findings from the latest Scottish FRS Integrated Risk Management Planning Audits</i>	T. Kane	Scottish Government	
14:00	14:30	Fire Engineering & Fire Safety Management	<i>Using Fire Engineering to achieve business protection objectives</i>	P. Wilkinson	Loughborough University	
14:30	15:00		<i>Using Evidence to Assess the Performance of Fire Safety Management</i>	J. Baker	Loughborough University	
15:00	15:30	Simulations and Models	<i>Long Term Strategic Decision Making for the Fire and Rescue Service – a case study</i>	A. Clarke	Swansea Metropolitan University	
15:30	16:00		<i>Automatic event tree generation using agent based modelling for Fire Risk Assessment including uncertainty analysis</i>	F. Akashah J. Zhan M. Delichatsios	University of Ulster (FIRESERT)	
16:00	16:30	Tea / Coffee Break				
16:30	17:00	Inter-Infrastructure Risks	<i>Modelling infrastructure interdependencies at the community level</i>	R. Holden S.C. Nodwell D.V. Val R. Burkhard	Heriot-Watt University	
17:00	17:30		<i>Inter-Infrastructure Risks</i>	C.W. Johnson	University of Glasgow	

2nd Conference on Integrated Risks Management Planning (Friday, 6th May 2011)

Start	End	Session	Title	Author(s)	
10:00	10:10		Introduction and Welcome	D. Bouchlaghem C.W. Johnson	Loughborough University University of Glasgow
10:10	10:30	Keynote	<i>Scottish Fire and Rescue Advisory Unit Performance Indicators</i>	K. Bosley S. Hunt	Scottish Fire and Rescue Services Advisory Unit
10:30	11:00		<i>FIRE - Building, Vulnerability and System Performance</i>	E.W. Marchant	Edinburgh Fire Consultants Ltd.
11:00	11:30	System Performance Session	<i>Cost Benefits of Passive Fire Protection</i>	C. Salter	Loughborough University
11:30	12:00		<i>Planning for tunnel fire accidents</i>	R. Carvel	University of Edinburgh
12:00	12:30	Lunch Break			
12:30	13:00				
13:00	13:30	Heritage Buildings	<i>Integrated Risk Management Plans and Historic Town Centres</i>	S. Emery	English Heritage
13:30	14:00		<i>Analysing the real fire risk to Heritage Buildings – Findings from an Early Study</i>	S. Raue	University of Glasgow
14:00	14:30	Operational Planning and Standard Operating Procedures	<i>Researching Priority Dispatch under IRMP</i>	J. Coffey I. Sanderson	Glasgow Caledonian University
14:30	15:00		<i>Fire and Rescue Services Scenario Simulation – Cost-Benefit Analysis of changes in SOPs</i>	T. Ralston S. Raue	University of Glasgow
15:00	15:30	Tea / Coffee Break			
15:30	16:00	Q/A Panel Session/Wrap-up		D. Bouchlaghem C.W. Johnson	Loughborough University University of Glasgow
