

Directions to rooms within the Gilbert Scott Building (Thurs am)

From the Main Gate to Room 305 (MBA Suite)

Enter through the main gate and walk straight ahead, until you see two double-doors next to (a model of!) a big cup of coffee. There is also a sign with “Adam Smith Business School” beside the doors. Enter the building (Gilbert Scott Building, aka Main Building) through those doors and you will see signage indicating how to find room 305.

You are currently on level 1 (ground floor), and you will need to go two floors up to Level 3, either using the stairs to your right or the elevator to your left. Once on Level 3, turn right (if you took the stairs, or left if you took the elevator) to see a single wooden door. Go through it, go past the stone staircase and turn left. You will see more signage that will direct you to the room.

Walk up the slight incline, turn left again and go through the fire door. Open it to see a small hall, which you will have to walk through following the signage (there are toilets on your left, if needed). Walk straight ahead and there will be another fire door. Walk through and you will find room 305 to your right.

Directions from Room 305 to Room G255 (Humanities Lecture Theatre)

After leaving room 305, go through the fire door to find a small hall. Walk straight ahead (do **not** go left!). At the end you will see another fire door marked “push bar to open”. Go through it and continue walking to your right until you find the stone stairs. Take them to go one level down. When you reach level 2, you will see plenty of signage. At this point turn left, i.e., go outside the building to enter the West Quadrangle.

If you are on the right path, you will see grass and an iron sculpture with three rotating panels. Now go straight ahead following the footpath. After a slight detour to your left, follow the footpath back to the right towards the buildings at the (right-hand) corner in front of you – there will be signage guiding you. If you are on the right track, you will see signage for the chaplaincy before entering to the building again.

After you enter the building, turn left immediately. The door to G255 (Humanities Lecture Theatre) is then on your right in the vestibule at the bottom of the stairs.

Directions from Room G255 to the Main Gate

Turn left as you leave the lecture theatre and then turn right and walk straight ahead until you find the door taking you out of the building.

You will find yourself outdoors. Turn left and follow the footpath until you find yourself close to the iron sculpture with the three rotating panels. Follow the signage to enter the Business School building at the (left-hand) corner.

Go through the wooden door, and immediately after going through it you will see another door: go through it again. To your right is the elevator, which you can take to go one level down, to the ground floor. Alternatively, take the stairs in front of you, and after going down one level turn left to see the main exit. Go through that door and you will immediately see the main gate.
