

Directions from Hillhead Subway Station to the University Main Gate

After leaving the subway station, turn left and walk along Byres Road for two minutes. When you arrive at the crossroads with University Avenue (which you can recognise by the black-coloured Tennent's bar to your right, on the other side of the road) turn left, going uphill on University Avenue.

Continue walking up University Avenue until you see a pedestrian crossing at the top of the hill. If you are on the right place, you are straight across the road from the University Main Gate. Cross the street and walk through the main gate.
